- Identify contacts as volunteers
- Assign volunteers to open volunteer jobs and track volunteer hours
- Track volunteer day and time availability, interests and skills, type and status
- View volunteer hours automatically updated in the contact record
- Create and manage volunteer communications
- Track your volunteer training, orientation, and background checks
- Access a wide variety of Volunteer reports

Grant Management

Grants are important to the funding of your organization. Grants support your cause and the work you do. Tracking tasks related to the grant application and the reporting requirements of your Grantor, requires organization. That is where Eleo Grant Management comes in. Eleo allows you to manage both the grant application process, as well as, the reporting of milestones and outcomes required by your Grantor.

With Eleo Grant Management you can:

- Enter and create a unique tracking file for each grant
- Record all relevant grant information, such as contact information, descriptions, award amounts and deadlines.
- Tasks - track grant application tasks with descriptions, due dates and completions

Grant Management (continued)

- Milestones – track grant operational Milestones and Outcomes with descriptions, due dates and completions
- Award amounts and receipt – track grant awards broken down by due date and requirements
- Expenses – track expenses, vendor, amount and description
- Documents – upload relevant documents
- Reports – produce reports of the various elements of your grant(s) on screen, print, Excel or PDF

Eleo Grant Management provides you one place to record all the elements of your grant application process, right alongside your donor information and fundraising activities. Eleo Grant Management is included and available for use at every level of Eleo's monthly subscriptions.

Web forms and Online Donations

In today's high-tech world, we know your nonprofit needs to connect with donors and supporters online in an effective and efficient way. A key component to your fundraising is giving your constituents an easy way to support your cause. With Eleo's custom web forms, you can create your own online donation page or contact form and upload it seamlessly to your website. And since these forms integrate directly with your Eleo database, there is no double entry.

- Create multiple custom web forms – contact and donation
- Standalone and embedded webpage options
- Link to page or button option
- Design custom header and footer
- Design options for font, font size and color
- Multiple text field options
- Built-in confirmation page
- Automated email confirmation
- Blind copy of automated email
- Complete web link created with form
- Review all transactions prior to processing into contact record

Eleo offers 2 different payment processing options to provide you with a fast, easy and secure way to accept payments online. These low-cost options have no monthly fees or early termination fees. Learn more about [Vantiv Integrated Payments](#) and [Braintree Payments – a PayPal Service](#).

Software Integrations

Eleo offers direct integration with **QuickBooks Online**. This allows you to eliminate double entry of recording gifts, donations, sponsorships and other payments to your nonprofit in both your Eleo database and Quick Books.

Eleo offers direct integration with **MailChimp** and **Constant Contact**. Eleo integrates with email providers to help streamline your email communications to your donors and supporters, while recording communication results directly into your Eleo database. And Eleo integrates with Microsoft Word for mail merged letters.

Eleo's integration with **Avery Labels** give you the ability to create custom designed labels for thank you letters, event invitations, appeal letters and more.

Security, Back-up, and User Rights

Your trust in Eleo is of utmost importance to us. We stand committed to keeping your information safe and secure, while providing flexible access to our software. Our infrastructure resides on Microsoft's Azure cloud services which constantly upgrades their services to protect your data from unauthorized access, corruption and environmental threats. See our Security Document for more information.

- Microsoft's Azure cloud infrastructure
- Firewall and physical security
- Antivirus/Antimalware protection
- SSL and encryption
- Automatic backup
- Authorized access validation and false attempt lockout
- User rights

Customizable Homepage

Eleo's Homepage is easily customizable, so you can decide what information is most valuable for you to see right away—and so you can focus on what is most relevant to your fundraising needs at any given time. Each Eleo user can design their homepage with different options and arrangement of the information.

Select what appears on your homepage:

- Task List and Calendar
- Recent Contacts viewed
- Recent gifts entered
- Thank you letters and receipts to be processed
- Fundraising totals with graphs
- List of Top Donors and Top Donations by date range
- Favorite Reports
- And more
